Art Unit 2202

In response to Applicant's letter received June 20, 1991 the abandonment of this application is withdrawn. Although Applicant's response to the Examiner's action mailed November 16, 1990 was not fully responsive as it did not address the security marking section of the letter, it did respond to the objection to the drawings. Therefore an additional period of 30 days should have been given to Applicants to correct their reply. As the correction was made and the secrecy order imposed in the interim, no further action is necessary at this time.
